BRIEF REPORT OF THE EVENT

On 2nd October 2018, the Govt. Degree College, Paderu commemorated Gandhi Jayanti with great enthusiasm and reverence. The event was inaugurated by Principal **Dr. V. Appa Rao** garu, who emphasized the timeless relevance of Mahatma Gandhi's principles in today's world. The ceremony featured a poignant speech by **E.V. Jaya Lakshmi**, Lecturer in History, who delved into Gandhi's pivotal role in India's struggle for independence and his enduring legacy of non-violence and social justice.

The occasion was further enriched by insightful speeches from students, who highlighted Gandhi's teachings on truth, peace, and the importance of communal harmony. They eloquently connected Gandhi's ideals to contemporary issues, urging their peers to embrace Gandhian values in their daily lives.

The event was not merely a tribute but also a call to action, encouraging everyone present to embody Gandhi's principles of truth and compassion. Through various cultural performances and activities, the spirit of Gandhi's vision resonated throughout the campus, fostering a renewed commitment to social responsibility and ethical leadership.

Overall, Gandhi Jayanti at [School/College Name] was a reminder of the enduring relevance of Mahatma Gandhi's philosophy, inspiring students and faculty alike to strive towards a more just and peaceful society.

BRIEF REPORT OF THE EVENT

On **January 23, 2020**, the Government Degree College (GDC) in Paderu commemorated Subhash Chandra Bose Jayanthi with an event that was both enlightening and patriotic. The ceremony commenced with the inauguration conducted by the college Principal, **Dr. V. Appa Rao** garu, who emphasized Bose's profound impact on India's struggle for independence.

The highlight of the event was a stirring speech delivered by **E.V. Jaya Lakshmi**, a Lecturer in History, who eloquently portrayed Bose's role in shaping the nation's history and his unwavering commitment to freedom. This was followed by insights from **K. Dharma Rao**, Lecturer in Political Science, who delved into Bose's political ideology and its relevance in contemporary times.

The event also provided a platform for students to express their thoughts on Bose's legacy. Several students delivered heartfelt speeches, reflecting on Bose's courage, leadership, and vision for a free India. Their speeches resonated with the audience, inspiring a sense of nationalism and admiration for Bose's contributions.

Overall, the Subhash Chandra Bose Jayanthi celebration at GDC Paderu was a fitting tribute to one of India's most iconic freedom fighters. It successfully combined historical insights with contemporary relevance, leaving participants with a deeper appreciation of Bose's enduring legacy.

WORLD ENVIRONMENT DAY CELEBRATION

DEPARTMENT OF BOTANY

Report

Celebrating World Environment Day offers several benefits to students, empowering them to become responsible global citizens and environmental stewards:

1. **Environmental Awareness:** Participation in World Environment Day activities raises students' awareness about pressing environmental issues such as climate change, pollution, biodiversity loss, and resource depletion. It helps them understand the interconnectedness between human actions and the health of the planet.
2. **Hands-On Learning:** Engaging in environmental activities, such as tree planting, clean-up campaigns, and recycling initiatives, provides students with hands-on learning experiences. These activities allow students to apply classroom knowledge in real-world contexts, fostering a deeper understanding of environmental concepts and solutions.
3. **Critical Thinking and Problem-Solving Skills:** World Environment Day activities encourage students to analyze environmental challenges critically and develop innovative solutions. They learn to identify environmental problems, assess their causes and impacts, and brainstorm effective strategies for mitigation and adaptation.
4. **Sense of Responsibility:** Celebrating World Environment Day instills a sense of responsibility and accountability in students towards the environment. It encourages them to reflect on their

ecological footprint and adopt sustainable practices in their daily lives, such as reducing waste, conserving resources, and promoting biodiversity conservation.

5. **Empowerment and Advocacy:** World Environment Day empowers students to advocate for environmental protection and sustainability within their communities and beyond. It provides them with a platform to voice their concerns, raise awareness, and mobilize others to take action on environmental issues through campaigns, events, and educational initiatives.
6. **Interdisciplinary Learning:** World Environment Day promotes interdisciplinary learning by integrating various subjects such as science, geography, social studies, and economics into environmental education. It encourages students to explore the complex relationships between the environment, society, economy, and culture, fostering a holistic understanding of sustainability.
7. **Civic Engagement and Leadership Development:** Participating in World Environment Day activities cultivates students' civic engagement and leadership skills. It encourages them to take initiative, collaborate with peers, and assume leadership roles in organizing and implementing environmental projects and campaigns in their schools and communities.
8. **Global Citizenship:** World Environment Day fosters a sense of global citizenship among students by highlighting the interconnectedness of environmental issues across borders and cultures. It encourages them to recognize their role as global citizens and take collective action to address shared environmental challenges on a local, national, and global scale.

Overall, celebrating World Environment Day benefits students by enhancing their environmental awareness, fostering critical thinking and problem-solving skills, promoting a sense of responsibility and empowerment, fostering interdisciplinary learning, nurturing civic engagement and leadership development, and cultivating a sense of global citizenship. These benefits contribute to students' personal growth, academic achievement, and their ability to make positive contributions to environmental sustainability and social change.

Conclusion: The grand success of this year for science day celebrations is due to the active role played by the organizing committee members and the team work of the ever supporting staff and students of this college to conduct world environment day. Govt degree college, Paderu always devote to generate scientific temper in the society and encourage the students to take up science as their future.

DEPARTMENT OF ZOOLOGY

BRIEF REPORT

ACTIVITY: DEWORMING DAY

DATE: 10th FEBRUARY, 2023

ORGANIZED BY: DEPT.OF ZOOLOGY & NSS

NO.OF PARTICIPANTS: 142

INTRODUCTION:

Department of Zoology and NSS organized Deworming day to create awareness on worms and its diseases. Health department distributed Albendazole tablets to students.

The primary objective of Deworming Day is to reduce the burden of parasitic infections, improve overall health, and enhance the well-being of the targeted population. By administering safe and effective deworming medications, the initiative aims to break the cycle of transmission and protect individuals, especially children, from the adverse effects of parasitic infections.

OBJECTIVES:

The primary objective of Deworming Day is to reduce the burden of parasitic infections, improve overall health, and enhance the well-being of the targeted population. By administering safe and effective deworming medications, the initiative aims to break the cycle of transmission and protect individuals, especially children, from the adverse effects of parasitic infections.

THEME: Reduce the burden of STH infection and make improvements in the health sector of the children.

PLANNING & COORDINATION: Local health authorities collaborate with educational institutions, community leaders, and other stakeholders to plan and coordinate Deworming Day activities. Adequate

supplies of deworming medications are procured, and healthcare professionals are trained to administer the drugs safely.

AWARENESS CAMPAIGN:

Prior to Deworming Day, extensive awareness campaigns are conducted to inform the community about the importance of deworming and the benefits it offers. On the designated day, trained healthcare professionals visit College and to administer deworming medications to eligible individuals.

HEALTH IMPROVEMENT:

Deworming helps reduce the burden of parasitic infections, leading to improved health and well-being. Children who receive deworming treatment may experience better physical and cognitive development.

QUOTATIONS / SLOGANS:

Use sanitary toilets.

Do not defecate outside.

Properly wash hands mainly before eating and after using the toilets.

Wear slippers and shoes.

Wash fruits and vegetables properly in safe and clean water.

Eat properly cooked food.

CONCLUSION:

Deworming Day is a crucial public health intervention that contributes to the overall well-being of communities, especially in regions where parasitic infections are prevalent. By addressing the root causes and providing preventive measures, Deworming Day plays a vital role in breaking the cycle of transmission and improving the health outcomes of vulnerable populations. Continued support, collaboration, and awareness are essential to sustaining the impact of deworming programs and promoting a healthier future for all.
